FROM THE DESK OF KELLY

I absolutely love the Spring, and March brings so many wonderful things to look forward to at Encore! We'll be planting seeds and starting our spring garden, spending time outdoors soaking up the sunshine, and even making special treats for the birds to enjoy. Don't forget to change your clocks on March 8 as we "spring forward"! Our guests will also have fun in the kitchen preparing festive treats to share on St. Patrick's Day —be sure to send your loved one dressed in green so we can celebrate together. Here's to a fresh, bright, and joy-filled month ahead! 🌸☀️🍀
