From the Desk of Kelly

May is shaping up to be a joyful and activity-filled month at Encore! On May 1st, we'll kick things off with horse racing games to celebrate the Kentucky Derby—don't forget to wear your best hat. We'll continue the fun with an lively all-day Cinco de Mayo celebration. We look forward to honoring all of our wonderful mothers on both May 8th and May 11th with special recognition and appreciation. As it's also Backyard Games Month, we're excited to spend time outdoors enjoying fresh air, warm sunshine, and friendly competition. Please note that we will be closed on Memorial Day, but when we return, we'll gather to share stories and gratitude for the heroes we remember. With so many more activities planned, there's something to look forward to every single day—don't miss out.
